

Dear Co-Chair Winfield, Co-Chair Stafstrom, Vice Chair Flexer, Vice Chair Blumenthal, Ranking Member Kissel, Ranking Member Fishbein, and all members of the Judiciary Committee:

I am against SB 16. Where should I start??

Banning "ghost guns" wasn't enough for you? Now you want us to register any of these firearms that we legally made and were grandfathered in? Why? Once again you are focusing your energies in the wrong direction. Now add to that you want to ban .22 caliber guns if they have certain scary features. Do you really think those features make any gun, never mind the diminutive .22, any deadlier? How many criminals are committing violent crime with these?

There is so much wrong with this bill. PLEASE DO NOT LET IT PASS!

Thank you
